## 2 STRATEGY AND PERFORMANCE

### 2.2 FAST4WARD

BETTER PERFORMANCE, DELIVERED FASTER

**Fast4Ward™ is SBM Offshore's philosophy to transform the business by reducing cycle time to energy delivery, de-risking projects and improving quality and safety.**

Fast4Ward™ is based on five key principles: engaging early with clients, standardization, focus on flawless execution, partnering with the supply chain and use of digital solutions in today's volatile environment. The Company is applying the Fast4Ward™ principles across its product portfolio.
